I will peruse and revert. 15:42

 Forwarded

Good afternoon PSP. We had a meeting with them a few weeks ago and then communicated our response to them. They have responded to the Minister's letter. We are reviewing their submission Which we received last week for the PS and Minister's consideration.

17:00

I just got this from the official handling the matter.

17:01

Thank you. The response is sufficient. Please let them know so. I will also let this guys know so. Tsodilo still thinks if a meeting is held the problem will be solved.
