Dear Mr. Moagi, not really sure what you mean with your response. maybe your response got lost. I am hearing from Tsodilo: "The Company wrote the Minister on April 27, 2022 and since then the Minister has not responded." - can you pls clarify? Thanks. Best regards,

Ah ok 18:13

The company wrote me on the 19th May and I responded on the 7th June. In the meantime I was engaging stakeholders. Talk to James Bruchs for clarity, that is the letter I responded to.
