TSODILO RESOURCES LIMITED MANAGEMENT INFORMATION CIRCULAR

VOTING INFORMATION

Solicitation of Proxies

This management information circular (the "Circular") is furnished in connection with the solicitation of proxies being made by the management of Tsodilo Resources Limited ("Tsodilo" or the "Company") for use at the Annual and Special meeting of the Company's shareholders to be held on Friday, March 22, 2013 at the time and place and for the purposes set forth in the accompanying notice of meeting or at any adjournment thereof (the "Meeting"). Management's solicitation of proxies will primarily be by mail and may be supplemented by telephone or other means of communication and will be made, without special compensation, by directors, officers and employees of the Company. The cost of solicitation by management will be borne by the Company. The Company may retain other persons or companies to solicit proxies on behalf of management of the Company, in which event customary fees for such services will be paid.

It is anticipated that this Circular, together with the accompanying notice of meeting and form of proxy, will first be mailed to shareholders of the Company on or about February 26, 2013.

Unless otherwise indicated, all monetary amounts referred to herein are stated in United States currency.

Appointment of Proxyholder

The persons named in the enclosed form of proxy are directors and/or officers of the Company (the "Management Proxyholders"). A registered shareholder has the right to appoint a person or company other than one of the Management Proxyholders (who need not be a shareholder) to represent the registered shareholder at the Meeting by striking out the printed names and clearly inserting that other person's name in the blank space provided.

The instrument appointing a proxyholder must be signed in writing by the registered shareholder, or such shareholder's attorney authorized in writing. If the registered shareholder is a corporation, the instrument appointing a proxyholder must be in writing signed by an officer or attorney of the corporation duly authorized by resolution of the directors of such corporation, which resolution must accompany such instrument. **An instrument of proxy will only be valid if it is duly completed, signed, dated and received at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Attention: Proxy Department, 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 by 5:00 p.m. (Toronto, Ontario time) on Wednesday, March 20, 2013 (or not less than 48 hours, excluding Saturdays, Sundays and holidays before any adjournments of the Meeting at which the proxy is to be used), or deposited with the Secretary of the Company or the Chairman of the Meeting prior to the commencement of the Meeting.**

If you have any questions about the procedures to be followed to vote at the Meeting or about obtaining, completing and depositing the required form of proxy, you should contact Computershare Investor Services Inc. by telephone (toll free) at 1-800-564-6253 or by e-mail at service@computershare.com.

Voting of Proxies

Common shares of the Company represented by properly executed proxies in the accompanying form will be voted or withheld from voting on each respective matter in accordance with the instructions of the registered shareholder on any ballot that may be called for and, if the shareholder specifies a choice with respect to any

matter to be acted upon at the Meeting, the shares represented by such proxy will be voted accordingly. If no choice is specified, the person designated by management in the accompanying form of proxy will vote **FOR** all matters proposed by management at the Meeting.

Exercise of Discretion by Proxies

The persons named by management in the enclosed form of proxy will vote the shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. In the absence of such direction, such shares will be voted FOR each of the matters identified in the form of proxy.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the accompanying notice of meeting and with respect to other matters which may properly come before the Meeting. At the time of printing this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters, which are not now known to management, should properly come before the Meeting, the shares will be voted on such matters in accordance with the best judgment of the named proxyholders.

Voting by Beneficial (Non-registered) Shareholders

The information in this section is important to many shareholders as a substantial number of shareholders do not hold their shares in their own name.

Shareholders who hold common shares of the Company through their brokers, intermediaries, trustees, or other nominees (such shareholders being collectively called "**Beneficial Shareholders**") should note that only proxies deposited by shareholders whose names appear on the share register of the Company may be recognized and acted upon at the Meeting. If common shares are shown on an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases the name of such Beneficial Shareholder will not appear on the share register of the Company. Such shares will most likely be registered in the name of the broker or an agent of the broker. In Canada, the vast majority of such shares will be registered in the name of "CDS & Co.", the registration name of The Canadian Depository for Securities Limited, which acts as a nominee for many brokerage firms. Such shares can only be voted by brokers, agents, or nominees and can only be voted by them in accordance with instructions received from Beneficial Shareholders. As a result, Beneficial Shareholders should carefully review the voting and instructions provided by their broker, agent or nominee with this Proxy Circular and ensure that they direct the voting of their shares in accordance with those instructions.

Applicable regulatory policies require brokers and intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Each broker or intermediary has its own mailing procedures and provides its own return instructions to clients. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by such shareholder's broker, agent or nominee is limited to instructing the registered holder on how to vote such shares on behalf of the Beneficial Shareholder. Most brokers in Canada now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically prepares voting instruction forms, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of such shares at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote their shares at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Beneficial Shareholders should follow the instruction on the forms that they receive and contact their intermediaries promptly if they need assistance.

Revocation of Proxy

A registered shareholder who has returned a proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the registered shareholder or by his or her attorney authorized in writing or, if the registered shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or with the Secretary of the Company or the chairman of the Meeting prior to the commencement of the Meeting. Only registered shareholders have the right to revoke a proxy. **Beneficial Shareholders who wish to change their vote must arrange for their respective intermediaries to revoke the proxy on their behalf.**

Record Date

Registered shareholders of record as at the close of business on February 15, 2013 (the "**Record Date**") are entitled to attend and vote at the Meeting. Shareholders who wish to be represented by proxy at the Meeting must, to entitle the person appointed by the Proxy to attend and vote, deliver their Proxies at the place and within the time set forth in the notes to the Proxy. In accordance with the provisions of the *Business Corporations Act* (Yukon), the Company will prepare a list of holders of common shares as of the Record Date. Each holder of common shares named in the list will be entitled to vote the common shares shown opposite his or her name on the list at the Meeting, except to the extent that (a) the shareholder has transferred any of his or her shares after the Record Date, and (b) the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he or she owns such shares, and demands, not later than ten days prior to the Meeting, that his or her name be included in the list of persons entitled to vote at the Meeting, in which case the transferee shall be entitled to vote his or her shares at the Meeting.

INTERESTS OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, to the knowledge of the directors and officers of the Company, no person who has been a director or executive officer of the Company at any time since the beginning of the Company's last fiscal year, or any proposed nominee of management of the Company for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership or otherwise, in matters to be acted upon at the Meeting other than the election of directors or the appointment of auditors, except that directors and executive officers of the Company are eligible to receive stock options pursuant to the Stock Option Plan (as hereinafter defined), amendments to which will be sought at the Meeting.

SECURITIES AND PRINCIPAL HOLDERS THEREOF

As at the date hereof, 28,149,151 common shares of the Company are issued and outstanding. Each common share entitles the holder thereof to one vote on all matters to be acted upon at the Meeting. To the knowledge of the directors and officers of the Company, the only persons or companies that beneficially owns, or controls or directs, directly or indirectly, voting securities of the Company carrying 10% or more of the voting rights attached to any class of voting securities of the Company as of the date of this Circular are as follows:

Name of Shareholder	Common Shares	Percentage of Outstanding Number of Common Shares
Azur LLC	4,996,065	17.75%
International Finance Corporation	4,520,883	16.06%

BUSINESS OF THE MEETING

1. Financial Statements

The audited consolidated financial statements of the Company for the year ended December 31, 2012, and the auditor's report thereon, will be presented to shareholders for review at the Meeting and are available on SEDAR at www.sedar.com. No vote by the shareholders is required with respect to this matter.

2. Election of Directors

Nominees

Directors are elected annually, and the term of office of each of the current directors expires at the conclusion of the Meeting. The number of directors to be elected at the Meeting is seven (7). If elected, each nominee will hold office as a director of the Company until the close of the first annual meeting of shareholders of the Company following his election, unless his office is earlier vacated in accordance with the Company's by-laws.

The table and notes below set out, in respect of each nominee, the name, province or state and country of residence, the period or periods during which the nominee has served as a director of the Company, the nominee's principal occupation or employment during the last five years and the number of shares of the Company beneficially owned, or controlled or directed, directly or indirectly by the nominee as at the date hereof. The statement as to beneficial ownership, or control or direction, over common shares is based upon information furnished by the relevant nominee.

Dr. Michiel C. J. de Wit was a director of Diamond Core Resources (Pty) Ltd ("**Diamond Core**") at the time Diamond Core was the subject of a final liquidation order by the Northern Cape High Court in South Africa in July 2009. At that time, Diamond Core was a wholly-owned subsidiary of the Delrand Resources Limited ("Delrand"). Delrand has since disposed of all of its shares of Diamond Core. On September 27, 2010, the Northern Cape High Court in South Africa issued an order setting aside the liquidation proceedings. As a result, Diamond Core reverted to the status quo ante.

An application to liquidate Diamond Core Technical Services (Pty) Ltd, which is a subsidiary of Diamond Core, was also made during 2009. At the time of this application, Delrand still held all of the shares of Diamond Core and Dr. de Wit was a director of Diamond Core Technical Services (Pty) Ltd. The application to liquidate Diamond Core Technical Services (Pty) Ltd was subsequently withdrawn.

Unless authority to vote is withheld, the shares represented by the proxies hereby solicited will be voted by the Management Proxyholders named therein FOR the election of each of the nominees whose names are set forth above.

3. Appointment and Remuneration of Auditors

The auditors of the Company are Ernst and Young LLP ("**E&Y**"), Chartered Accountants of Vancouver, British Columbia, who were first appointed auditors of the Company on January 29, 2009. Management proposes that E&Y be re-appointed as auditors of the Company for the ensuing year and that the board of directors of the Company (the "**Board**") be authorized to fix their remuneration. See "Audit Committee Disclosure" for information on the external auditor service fees for the financial year ended December 31, 2012.

Unless authority to vote is withheld, the shares represented by the proxies hereby solicited will be voted by the Management Proxyholders named therein FOR the re-appointment of E&Y as the auditors of the Company for the ensuing year and to authorize the board of directors of the Company to fix the remuneration of the auditors.

4. Approval of Amendments to Company's Stock Option Plan

The Company grants options under the Company's stock option plan (the "**Stock Option Plan**") to attract, retain and motivate directors, officers, key employees and consultants and to advance the interests of the Company by providing such persons with the opportunity, through share options, to acquire an increased proprietary interest in the Company.

The Board has approved an amendment to the Stock Option Plan, subject to approval of the shareholders as required under the rules of the TSX Venture Exchange (the "**Exchange**"), to increase the maximum number of common shares issuable under the Stock Option Plan to an amount equal to 20% of the issued common shares as at the date of shareholder approval. The proposal to increase the number of common shares available under the Stock Option Plan is to ensure that the Company can continue to provide competitive long-term incentive awards.

The following table specifies the number of common shares of the Company that may be subject to option grants before and after the proposed increase, as at the date of this Circular:

	Common Shares Subject to Outstanding Options⁽¹⁾	Common Shares Available for Future Option Grants	Maximum Common Shares Subject to Option Grants
Currently Approved	3,881,250	60,870	3,942,120
Proposed Increase ⁽²⁾	-	1,687,710	1,687,710
Total	3,881,250	1,748,580	5,629,830
% of Common Shares (undiluted)	13.79%	6.21%	20.00%

Notes:

1. All of these common shares relate to options granted under the Stock Option Plan.
2. Calculation is based on the number of issued common shares as of the date of this Circular, being 28,149,151, and may not represent the actual number of common shares outstanding on the date of shareholder approval.

The form of resolution to approve the proposed amendment to the Stock Option Plan is set out below. In order to be effective, the resolution must be passed by a majority of the votes cast by shareholders present in person or represented by proxy.

RESOLVED THAT:

1. the number of common shares of the Company reserved for issuance under the Stock Option Plan of the Company be and is hereby increased to a maximum of 5,629,830 provided that, in the event that the number representing 20% of the Company's issued and outstanding common shares (calculated on an undiluted basis) as of the date hereof is a number greater than 5,629,830 (after rounding down any fraction to the nearest whole number), such greater whole number be and is hereby approved instead; and
2. any one officer or director of the Company be and is hereby authorized to execute and deliver for an on behalf of the Company all such documents and

instruments and to do such other acts as such officer may determine necessary or advisable to give effect to the foregoing, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions by such officer or director.

The board of directors of the Company believes that the resolution to approve the amendment to the Stock Option Plan is in the best interests of shareholders and therefore unanimously recommends that shareholders vote **FOR** the resolution.

The shares represented by the proxies hereby solicited will be voted by the Management Proxyholders named therein FOR the resolution to approve the amendments to the Stock Option Plan, unless the shareholder has specified in the Proxy that the common shares represented thereby are to be voted against the resolution.

5. Approval of Shareholder Rights Plan

Introduction

A rights plan is a common mechanism used by public companies to encourage the fair and equal treatment of all shareholders in the face of a take-over initiative, and to give the board more time to identify, develop and negotiate value-enhancing alternatives, if considered appropriate by the Board in the circumstances.

Under a rights plan, rights to purchase common shares are issued to all shareholders. At first, the rights are not exercisable. However, if a person or group proceeds with a take-over bid for 20% or more of the target company's shares that does not meet the "permitted bid" criteria set forth in the plan and the rights plan is triggered, the rights (other than those owned by the acquiring person and its joint actors) become exercisable for shares at half the market price at the time of exercise, causing substantial dilution and making the take-over bid uneconomical.

The Company's Rights Plan

The Company implemented a shareholder protection rights plan on October 29, 2012 (the "**Rights Plan**"). In accordance with its terms, the Rights Plan is to be presented to shareholders for confirmation at the Meeting. A summary of the terms and conditions of the Rights Plan is set out in Schedule "A" to this Circular and the text of the shareholders' resolution to confirm, ratify and approve the Rights Plan (the "**Rights Plan Resolution**") is set out below under the heading "Confirmation by Shareholders".

The Rights Plan was not adopted in response to, or in anticipation of, any pending or threatened take-over bid. It does not reduce the duty of the Board to act honestly, in good faith and in the best interests of the Company, and to act on that basis if any offer is made. It is not intended to and will not entrench the Board, and does not interfere with the legal rights of shareholders to change the Board through proxy voting mechanisms, create dilution unless the Rights Plan is triggered or change the way in which common shares trade.

Purpose of the Rights Plan

The objectives of the Rights Plan are to encourage the fair treatment of all shareholders in connection with any initiative to acquire control of the Company, to ensure, to the extent possible, that the shareholders and the Board have adequate time to consider and evaluate any unsolicited take-over bid made for the outstanding shares of the Company, and to ensure, to the extent possible, that the Board has adequate time to identify,

develop and negotiate value-enhancing alternatives, if considered appropriate, to any unsolicited take-over bid made for all or a portion of the outstanding shares of the Company.

Take-over bids may be discriminatory or coercive and may be initiated at a time when the board of directors of the target company needs more time than the minimum period (35 days) that a take-over bid must remain open under Canadian securities laws to prepare an adequate response. Accordingly, take-overs do not always result in shareholders receiving fair or equal treatment or full or maximum value for their investment. Specifically, the purpose of the Rights Plan is to address the following concerns that are widely held to be inherent in the provisions of current securities laws governing take-over bids in Canada:

(a) Time

Many believe that the 35-day minimum bid period allowed by Canadian securities laws is not enough time for the board of directors of the target company to evaluate a take-over bid, explore, develop and pursue alternatives which it believes may be preferable to the take-over bid or which could maximize shareholder value, and make reasoned recommendations to the shareholders. Under the Rights Plan, a permitted bid must remain open for a longer period (60 days (or such shorter period of time as may be permitted by the Board) after the offer date of the bid) than the statutory minimum (35 days), and then for another 10 business days following public announcement that more than 50% of the outstanding shares held by independent shareholders (as defined in the Rights Plan) have been deposited or tendered and not withdrawn for purchase by the bidder.

(b) Pressure to Tender

Shareholders may feel pressure to tender to a take-over bid that they think is inadequate because otherwise, they might be left with minority shares that are hard to sell or discounted. This is of particular concern in circumstances where the bidder can gain a control position without acquiring all of the shares, by making a partial bid for less than all of the shares, or by waiving a minimum tender condition. Under the Rights Plan, a permitted bid must remain open for another 10 business days after the expiry of the minimum take-over bid period following public announcement that more than 50% of the outstanding shares held by independent shareholders have been deposited or tendered and not withdrawn for purchase by the bidder. This permits a shareholder to accept the bid after a majority of the independent shareholders have decided to accept the bid, and lessens concern about undue pressure to tender to the bid.

(c) Unequal Treatment of Shareholders

Under Canadian securities laws, a bidder can gain control or effective control of the Company without paying full value, without obtaining shareholder approval and without treating all of the shareholders equally. For example, a bidder could acquire blocks of shares by private agreement from one or a small group of shareholders at a premium to market price which is not shared with the other shareholders. In addition, a person could slowly accumulate shares through stock exchange acquisitions which may result, over time, in an acquisition of control or effective control without paying a control premium or without sharing of any control premium among all shareholders fairly. These are generally known as creeping bids. Under the Rights Plan, in order to meet the permitted bid criteria, any person or group offering to acquire 20% or more of the Company's shares must make the offer to all shareholders on the books of the Company, for all of their common shares.

Effect of the Rights Plan

The Rights Plan is not intended to and will not prevent take-over bids that are equal or fair to shareholders. For example, shareholders may tender to a bid that meets the "permitted bid" criteria set out in the Rights Plan without triggering the Rights Plan, even if the Board does not feel the bid is acceptable. Even in the context of a bid that does not meet the "permitted bid" criteria, the Board of Directors must consider every bid made, and

must act in all circumstances honestly and in good faith with a view to the best interests of the Company.

Furthermore, any person or group that wish to make a take-over bid for the Company may negotiate with the Board to have the Rights Plan waived or terminated, subject in both cases to the terms of the Rights Plan, or may apply to a securities commission or court to have the Rights Plan terminated. Both of these approaches provide the Board with more time and control over the process to enhance shareholder value, lessen the pressure upon shareholders to tender to a bid and encourage the fair and equal treatment of all independent shareholders in the context of an acquisition of control.

Confirmation by Shareholders

If the Rights Plan Resolution is approved at the Meeting, the Rights Plan between the Company and Computershare Investor Services Inc., as rights agent (the "**Rights Agent**") will take effect. If the Rights Plan Resolution is not approved at the Meeting, the Rights Plan and the outstanding rights will terminate. The Board reserves the right to alter any terms of or not to proceed with the Rights Plan at any time prior to the Meeting in the event that the Board determines, in light of subsequent developments, that to do so is in the best interests of the Company and its shareholders.

Under the terms of the Rights Plan, the Rights Plan Resolution must be passed by a majority of the votes cast thereon by independent shareholders. In general, an independent shareholder is any shareholder other than a person or group who has acquired or is trying to acquire 20% or more of the common shares. In addition, under Exchange requirements, the Rights Plan Resolution must be passed by a majority of the votes cast thereon by (a) all shareholders, and (b) all shareholders, without giving effect to any votes cast by (i) any shareholder that, directly or indirectly, on its own or in concert with others, holds or exercises control over more than 20% of the outstanding voting shares, if any, and (ii) the associates, affiliates and insiders of any person referred to in (i) above. As at the Record Date, the Company believes that all shareholders are entitled to vote in respect of the Rights Plan Resolution.

Accordingly, shareholders will be asked at the Meeting to consider, and, if deemed advisable, to adopt the following resolution to confirm, ratify and approve the Rights Plan:

RESOLVED THAT:

1. the shareholder protection rights plan of the Company be continued, and the Shareholder Rights Plan Agreement dated as October 29, 2012 between the Company and Computershare Investor Services Inc., as rights agent (the "**Rights Plan**"), which confirms the issuance of shareholder protection rights to holders of common shares that are outstanding at the Record Time (as defined in the Rights Plan) on the terms set out in the Rights Plan, and continues the issuance of the Rights thereafter to holders of newly issued common shares until the termination or expiration of the Rights Plan, be and is hereby confirmed, ratified and approved; and
2. any one officer or director of the Company be and is hereby authorized to execute and deliver for an on behalf of the Company all such documents and instruments and to do such other acts as such officer may determine necessary or advisable to give effect to the foregoing, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions by such officer or director.

Recommendation of the Board of Directors

The Board has concluded that the Rights Plan is in the best interests of the Company and shareholders.

Accordingly, the Board of Directors unanimously recommends that the shareholders ratify, confirm and approve the Rights Plan by voting FOR the Rights Plan Resolution at the Meeting. Unless instructed otherwise, the persons named in the accompanying form of proxy will vote FOR the Rights Plan Resolution.

STATEMENT OF EXECUTIVE COMPENSATION

Introduction

In the following pages we describe:

- ◇ The Company policies and practices with respect to the compensation of senior managers.
- ◇ The role and structure of the Compensation Committee (“**CCOM**”).
- ◇ The detailed disclosure of the remuneration of the Chief Executive Officer, (CEO), the Chief Financial Officer (CFO) and the Chief Operating Officer (COO) (collectively, the “**Named Executive Officers**” or “**NEOs**”) and the directors of the Company.

Overview of Compensation Philosophy

The Company’s aim is to provide market competitive remuneration to attract, retain and motivate the talent required to allow the Company to achieve its potential. The total reward package is designed to remunerate on the basis of an individual’s personal effectiveness in their role and thereby link their performance to the Company’s where possible. An underlying principle of the reward package is that good performance will be recognized, and poor performance will not be tolerated or rewarded.

Executive packages are determined on a Total Employment Cost (“**TEC**”) basis and include an appropriate balance of base salary, benefits and at risk remuneration (in the form of short-term incentive and long-term incentive). They are set in the context of the relevant industrial and geographic norms that the Company operates within and at a level which will make the organization competitive in its chosen exploration, mining and mineral exploration markets.

2012 Approach

The current approach is generally as follows:

- ◇ Balanced across the short, medium and longer term
- ◇ Market competitive
- ◇ Base pay is broadly targeted at a median level
- ◇ Longer- term reward (share option grants), provides the opportunity to build ownership in the business and increase personal wealth in the medium term in line with the opportunities for success afforded to the shareholders

Recruiting and Retention

Tsodilo’s management team has strengthened considerably over the last couple of years. We are satisfied with our ability to attract and retain high caliber individuals capable of working within, and contributing to the

management team.

Aligning Management and Shareholders

The Company seeks to align management with shareholders' interests as follows:

- ◇ The short-term incentive plan incorporates 'pay-for-performance' into the annual cash remuneration.
- ◇ The long-term incentive plan represents a potentially significant portion of an executive's total remuneration and provides a longer-term focused reward that is subject to the same external market conditions as shareholders.

Compensation Committee "CCOM" Mandate

- ◇ Recommending to the Board the annual salary, bonus and other benefits, direct and indirect, of the CEO
- ◇ Approving the compensation for the Company's other executive officers, after considering the recommendations of the CEO
- ◇ Approving other human resources and compensation policies and guidelines within their remit
- ◇ Ensuring management compensation is competitive to enable the Company to continue to attract individuals of the highest caliber.

The CCOM is composed of three independent directors, Messrs. Cushing (Chairman), McGinley and Kelafant. For a description of skills and experience relevant to the responsibilities of the members of CCOM in executive compensation, and which enable CCOM to make decisions on the suitability of the Company's compensation policies and practices, please see the section "Audit Committee Disclosure – Relevant Education and Experience".

Towards the end of each fiscal year (or as appropriate) the CCOM reviews the performance of the executive officers. CCOM considers a variety of factors when determining compensation policies and individual compensation levels, including:

- ◇ The long-term interests of the Company and its shareholders
- ◇ The performance of the Company
- ◇ Each officer's personal effectiveness in his or her role
- ◇ Each officer's contractual terms
- ◇ External market conditions and movements

The CEO's compensation is assessed taking into account similar factors.

- ◇ Short-term incentive (cash award)
- ◇ Long-term incentive (stock option grants)

Risks Associated With the Company's Compensation Policies and Practices

In light of the current stage of development and the limited elements of executive compensation, at this time neither the Board nor its committees have formally assessed the implications of the risks associated with the Company's policies and practices.

The Board has not, as yet, adopted a policy restricting its NEOs or directors from purchasing instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by NEOs or directors.

The Company's Stock Option Plan

The Stock Option Plan is currently the only equity-based compensation arrangement pursuant to which securities may be issued from treasury of the Company. The major features of the Stock Option Plan can be summarized as follows:

- The Board, or a committee or individual appointed for such purposes, may from time to time grant to directors, officers, eligible employees of, or consultants to, the Company or its subsidiaries, options to acquire common shares in such numbers, for such terms and at such exercise prices as may be determined by the Board or designated committee or person. The purpose of the Stock Option Plan is to advance the interests of the Company by providing eligible personnel with a financial incentive for the continued improvement of the Company's performance and encouragement to stay with the Company.
- The number of common shares of the company reserved for issuance under the Stock Option Plan is currently equal to 3,942,120. Any common shares subject to a share option which for any reason is cancelled or terminated without having been exercised will again be available for grant under the Stock Option Plan. the Company under the Stock Option Plan and under any other share compensation arrangement is limited to 5% of the common shares outstanding at the time of grant (on a non-diluted basis).

- The Board has the authority under the Stock Option Plan to establish the option price at the time each share option is granted. The option price may not be lower than the market price, for example, the closing price of the common share as traded on the Exchange on the last trading day preceding the date on which the option is approved by the Board. The options vest equally on a quarterly basis over a period of 18 months from initial grant.

Options granted under the Stock Option Plan must be exercised no later than five (5) years after the date of grant or as otherwise determined by the Board and are not transferable other than by will or the laws of descent and distribution. An Option, and all rights to purchase pursuant thereto, shall expire and terminate immediately upon the optionee ceasing to be an employee or director of the company or any subsidiary. If, before the expiry of an Option in accordance with the terms thereof, the employment / directorship of the Optionee with the Company or with any subsidiary shall terminate, in either case by reason of the death of the Optionee, such Option may, subject to the terms thereof and any other terms of the Plan, be exercised by the legal representative(s) of the estate of the Optionee at any time during the first six months following the death of the Optionee (but prior to the expiry of the Option in accordance with the terms thereof) but only to the extent that the Optionee was entitled to exercise such Option at the date of the termination of his employment / directorship.

The Company provides no financial assistance to facilitate the purchase of common shares by eligible personnel who hold options granted under the Stock Option Plan.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Introduction

This statement of corporate governance practices is made with reference to National Policy 58-201, Corporate

Governance Guidelines and National Instrument 58-101, Disclosure of Corporate Governance Practices (hereinafter collectively the “**Governance Guidelines**”) which are initiatives of the Canadian Securities Administrators (“**CSA**”).

The Corporate Governance Committee has closely monitored the various changes and proposed changes in the regulatory environment and, where applicable, amended its governance practices to align with these changes that are currently in effect.

In accordance with the Governance Guidelines, the Company has disclosed its system of corporate governance in this Circular. The following text sets forth the steps taken by the Company in order to comply with the Governance Guidelines and its system of corporate governance now in force.

Board Governance

The Board has adopted a mandate which acknowledges its responsibility for the overall stewardship of the conduct of the business of the Company and the activities of management. Management is responsible for the day-to-day conduct of the business of the Company. The Board’s fundamental objectives are to enhance and preserve long-term shareholder value, and to ensure the Company meets its obligations on an ongoing basis and that the Company operates in a reliable and safe manner. In performing its functions, the Board considers the legitimate interests that its other stakeholders, such as employees, customers and communities, may have in the Company. In overseeing the conduct of the business, the Board, through the Chief Executive Officer, sets the standards of conduct for the Company.

The Board operates by delegating certain of its authorities to management and by reserving certain powers to itself. The Board retains the responsibility for managing its own affairs including selecting its Chairman, nominating candidates for election to the Board and constituting committees of the Board. Subject to the Articles and By-Laws of the Company and applicable law, the Board may constitute, seek the advice of and delegate powers, duties and responsibilities to committees of the Board.

To assist the Board in its responsibilities, the Board has established three standing committees: the Audit Committee, the CCOM and the Corporate Governance Committee. Each committee has a written mandate and reviews its mandate annually.

Composition of the Board

The Board and its committees participate in all decision making processes in the management of the Company and has adopted the following statement of corporate governance practices.

Responsibilities

The Board acknowledges its responsibility for the stewardship of the Company, and specifically for:

- (i) Adoption of a strategic planning process

The Board provides input and guidance on and reviews and approves the strategic planning and business objectives developed by senior management of the Company and oversees management’s implementation of the strategic plan.

- (ii) Identification of principal risks, and implementing risk-management systems

The Board considers on an ongoing basis the principal risks of the Company’s business in the diamond mining industry, particularly having regard to sensitivity to diamond prices, political risks given the location of the Company’s operations, environmental and operational risks, based on regular business

reports prepared by the Company's senior management. In addition, the Audit Committee by its review of the activities and findings of the Company's external auditors is aware of the principal risks to the Company's businesses and reports thereon to the Board on a regular basis.

(iii) Succession planning and monitoring senior management

The Board is responsible for the assessment of the performance of, and the development of a succession plan for, the Chief Executive Officer of the Company, who is in turn charged with those same responsibilities for the balance of the Company's senior management team.

(iv) Communications policy

The Board is committed to maintaining an effective communications policy for the benefit of all shareholders. In addition to its timely and continuous disclosure obligations under applicable law, the Company ensures that senior management is available to respond to questions and comments from shareholders. With the approval of the Board, management has a designee of the Company, as the principal individual responsible for receiving shareholder inquiries and dealing with shareholders' concerns. Such designee is available to respond to shareholder questions and comments, and endeavours to respond promptly and appropriately to all requests and/or inquiries. If material business issues result from communications between shareholders and senior management, it is the policy of the Company that such matters be reported to the Board.

(v) Integrity of internal control and management information system

The Audit Committee reviews with management and the Company's external auditors the ongoing sufficiency and integrity of the Company's internal control, financial reporting and management information systems.

The Board has considered the relationship and status of each director. As of the date hereof, the Board currently consists of 6 directors of which 3 are independent. Messrs. Cushing, Kelafant and McGinley do not have any material business relationships with the Company and are therefore considered independent under the Governance Guidelines and otherwise independent under the National Instrument 52-110, Audit Committees (NI52-110) for the purpose of sitting on the Company's Audit Committee. Mr. Bruchs, Drs. de Wit and Hitzman are not independent in that all three individuals provided services to the Company for remuneration or compensation in 2012.

The jurisdiction of the Chairman of the Board includes reviewing the performance of the Board and each of its committees and recruitment and nomination of new directors to the Board. Further, the Company believes that the nature of the relationships of its related directors would not adversely affect their independence or ability to act in the best interest of the Company.

The Chairman of the Board annually reviews the membership and chairs of the Board committees, as well as the mandates and activities of each committee, and makes such recommendations to the Board arising out of such review, as he deems appropriate. The Company believes that the Board members are qualified as directors and represent the various disciplines necessary for the proper governance of the Company.

Ethical Business Conduct

The Board has adopted a formal written Code of Conduct and a Corporate Disclosure Policy (collectively referred to as “**Codes of Conduct**”) for its directors, officers and employees.

Individuals governed by the Codes of Conduct are required to disclose in writing all business, commercial or financial interests or activities which might reasonably be regarded as creating an actual or potential conflict with their duties. Individuals must avoid all situations in which their personal interests conflict or might conflict with their duties to the Company or with the economic interest of the Company.

Directors, officers and employees are encouraged to report violation of the Codes of Conduct on a confidential and, if preferred, anonymous basis, in accordance with the complaints procedure set out in the Codes of Conduct or the Company’s whistleblower “Speakout” procedures. The Corporate Governance Committee may request special treatment for any complaint, including the involvement of the Company’s external auditors or outside counsel or other advisors. All complaints are required to be in writing by the person(s) designated to investigate the complaint, who shall report forthwith to their supervisor or the Chair of the Corporate Governance Committee. The Company has also established a fraud reporting and investigation “Speakout” policy to encourage employees, officers and directors to raise concerns regarding questionable accounting, internal controls, auditing or other fraudulent matters, on a confidential basis free from discrimination, retaliation or harassment.

Board Committees other than the Audit Committee

Other than the Audit Committee, the Board has established two standing committees; namely, the Compensation Committee, and the Corporate Governance Committee.

Compensation Committee

The Compensation Committee consists of 3 directors, all of whom are independent within the meaning of the Governance Guidelines. The Compensation Committee currently includes: Messrs. Patrick C. McGinley (Chairman), David J. Cushing and Jonathan R. Kelafant.

The principal purpose of the Compensation Committee is to implement and oversee human resources and compensation policies approved by the Board of Directors of the Company. The duties and responsibilities of the committee include, without limitation, the following:

- ◇ to recommend to the Board human resources and compensation policies and guidelines for application to the Company;
- ◇ to ensure that the Company has in place programs to attract and develop management of the highest caliber and a process to provide for the orderly succession of management; and

- ◇ to review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer and, in light of those goals and objectives, to recommend to the Board the annual salary, bonus and other benefits, direct and indirect, of the Chief Executive Officer and to approve compensation for all other designated officers of the Company, after considering the recommendations of the Chief Executive Officer, all within the human resources and compensation policies and guidelines approved by the Board.

Corporate Governance Committee

The Corporate Governance Committee (the “CGC”) consists of 3 directors, of which 2 are independent within the meaning of the Governance Guidelines. The CGC currently consists of Dr. Michiel C.J. de Wit (Chairman), and Messrs. David J. Cushing and Patrick C. McGinley.

The principal purposes of the CGC is to provide a focus on corporate governance that will enhance corporate performance, and to ensure on behalf of the Board and shareholders that the Company’s corporate governance system is effective in the discharge of its obligations to the Company’s stakeholders. The duties and responsibilities of the CGC include, without limitation, the following:

- ◇ to develop and monitor the Company’s overall approach to corporate governance issues and, subject to approval by the Board, to implement and administer a system of corporate governance which reflects superior standards of corporate governance practices;
- ◇ to report annually to the Company’s shareholders, through the Company’s annual management proxy circular or annual report to shareholders, on the Company’s system of corporate governance and the operation of its system of governance;
- ◇ to analyze and report annually to the Board the relationship of each director to the Company as to whether such director is a related director or an unrelated director; and
- ◇ to advise the Board or any of the committees of the Board of any corporate governance issues which the CGC determines ought to be considered by the Board or any such committee.

Board Committee Appointments

The Board appoints the members of the committees for the ensuing year at its organizational meeting held in conjunction with each annual general meeting of the shareholders of the Company. The Board may at any time remove or replace any member of a committee and may fill any vacancy in a committee.

Orientation and Continuing Education

The Company currently has an informal orientation program for new members of the Board. The Board regularly invites senior operating management to attend at Board meetings to report on their respective business unit activities, and Board meetings are periodically organized to include tours of the Company’s facilities which permit the Board to participate in a detailed first hand review of the Company’s activities. In addition, there are periodic events organized by the Company where the Board can interact with senior management.

Nomination of Directors

The Board is largely responsible for identifying new candidates for nomination to the Board. The process by which candidates are identified is through recommendations presented to the Board, which establishes and discusses qualifications based on corporate law and regulatory requirements as well as education and experience related to the business of the Company.

Compensation

It is the responsibility of the Compensation Committee to determine the level of compensation in respect of the Company's senior executives with a view to providing such executives with a competitive compensation package having regard to performance. The Compensation Committee reviews and recommends the compensation of the Chief Executive Officer of the Company on a regular basis, at least once a year. The Compensation Committee also reviews the recommendations submitted by the Chief Executive Officer with respect to the compensation of other senior officers of the Company.

In establishing compensation for executive officers, the Compensation Committee takes into consideration individual performance, responsibilities, length of service and levels of compensation provided by industry competitors. Such compensation is composed primarily of three components; namely, base salary, the granting of stock options and the awarding of performance bonuses. The Compensation Committee recommends guidelines for the Stock Option Plan and, in consultation with the Chief Executive Officer, reviews the options granted to the Company's executives and board members. Performance bonuses are considered from time to time having regard to the Company's objectives. No definitive and pre-determined bonus arrangement was entered into in the preceding fiscal year.

Assessments

The Board and its individual directors are assessed on an informal basis continually as to their effectiveness and contribution. The Chairman of the Board encourages discussion amongst the members of the Board as to evaluation of the effectiveness of the Board as a whole and of each individual director. All directors are free to make suggestions for improvement of the practice of the Board at any time and are encouraged to do so.

The Audit Committee reviews, on a continuous basis, any reports prepared by the Company's external auditors relating to the Company's accounting policies and procedures, as well as internal control procedures and systems.

The Audit Committee is also responsible for examining all financial information, including annual and quarterly financial statements, prepared for securities commissions and similar regulatory bodies prior to filing or delivery of the same. The Audit Committee also oversees the annual audit process, the quarterly review engagements, the Company's internal accounting controls, any complaints and concerns regarding accounting, internal control or audit matters and the resolution of issues identified by the Company's external auditors. SCHEDULE "A"

SUMMARY OF RIGHTS PLAN

This summary is qualified in its entirety by, and is subject to, the full text of the Shareholder Rights Plan Agreement (the "**Rights Plan**") dated as of October 29, 2012, between **TSODILO RESOURCES LIMITED** (the "**Company**") and **COMPUTERSHARE INVESTOR SERVICES INC.**, as rights agent (the "**Rights Agent**"). A complete copy of the Rights Plan is available upon request. Shareholders wishing to receive a copy of the Rights Plan should make their request by telephone at (416) 572-2033, by email at info@tsodiloresources.com or by mail to TSODILO RESOURCES LIMITED, Canada Trust Tower, BCE Place, 161 Bay Street, P.O. Box 508, Toronto, ON, Canada, M5J 2S1, Attention: James M. Bruchs. A copy of the Rights Plan is also available on SEDAR at **www.sedar.com**. All capitalized terms where used in this summary without definition have the meanings attributed to them in the Rights Plan.

(a) Issuance of Rights

Under the Rights Plan, the issuance of one common share purchase right (a "**Right**") for each common share outstanding as of the close of business on October 29, 2012 (the "**Record Time**"), which is the date on which the Company implemented a rights plan, and the issuance of one Right for each "**Voting Share**" (which includes the common shares and any other shares in or interests of the Company entitled to vote generally in the election of directors) issued thereafter and prior to the Separation Time, subject to the earlier termination or expiration of the Rights as set forth in the Rights Plan, is confirmed.

(b) Exercise Price

Until the Separation Time, the "**Exercise Price**" of each Right is three times the market price, from time to time, of the common shares. From and after the Separation Time, the Exercise Price is three times the Market Price, as at the Separation Time, per common share. In each case, the Exercise Price is subject to adjustment and certain anti-dilution provisions.

(c) Separation Time

The Rights are not exercisable until the "**Separation Time**." The Separation Time is the close of business on the tenth Trading Day after the earlier of:

- (i) the "**Stock Acquisition Date**," which is the first date of public announcement of facts indicating that a Person has become an Acquiring Person;
- (ii) the date of the start of or first public announcement of the intent of any Person (other than the Company or its Subsidiaries) to begin a Take-over Bid (other than a Permitted Bid, or Competing Permitted Bid); and
- (iii) the date upon which a Permitted Bid or Competing Permitted Bid ceases to be such, as applicable.

Alternatively, the Separation Date may be such later date as determined by the Board. If a Take-over Bid expires, is cancelled, terminated or withdrawn prior to the Separation Time, it shall be deemed never to have been made.

(d) Flip-in Event

A "**Flip-in Event**" occurs when any Person becomes an Acquiring Person. If, prior to the Expiration Time, a Flip-in Event which has not been waived occurs, each Right (except for Rights Beneficially Owned by an Acquiring Person, an Affiliate of Associate of such Person, a joint actor, or a transferee or any such Person, which become null and void) will constitute, upon exercise, the right to purchase from the Company, the number of common shares having a total Market Price on the date of the Flip-in Event equal to twice the Exercise Price, for the Exercise Price (subject to anti dilution adjustments).

For example, if at the time of the Flip-in Event, the Exercise Price is \$15 and the Market Price of the common shares is \$5, the holder of each Right would be entitled to purchase common shares having a total Market Price of \$30 (that is, six common shares) for \$15 (that is, a 50 percent discount from the Market Price).

(e) Trading and Separation of Rights

Until the Separation Time (or earlier termination or expiration), the Rights will be evidenced by the certificates representing the Voting Shares and will be transferable only together with the associated Voting Shares. After the Separation Time, separate certificates evidencing the Rights ("**Rights Certificates**") will be mailed to holders of record of (i) Voting Shares as of the Separation Time and (ii) Voting Shares issued on conversion of Convertible Securities after the Separation Time and prior to the Expiration Time, promptly after such conversion (other than to any Acquiring Person or any other person whose Rights are or become null and void) as of the Separation Time and such separate Rights Certificates alone will evidence the Rights. Subject to regulatory acceptance and to the Company complying with the requirements of the TSX Venture Exchange, the Rights will be listed on the TSX Venture Exchange. Rights will trade separately from the Voting Shares after the Separation Time.

(f) Acquiring Person

In general, an "**Acquiring Person**" is a Person who is the Beneficial Owner of 20 percent or more of the Company's outstanding Voting Shares. Excluded from the definition of Acquiring Person are (A) the Company and its Subsidiaries, and (B) any Person who becomes the Beneficial Owner of 20 percent or more of the outstanding Voting Shares as a result of any one or a combination of: a Voting Share Reduction, a Permitted Bid Acquisition, an Exempt Acquisition, a Convertible Security Acquisition, or a Pro Rata Acquisition; and who, for certainty, does not thereafter, by reason other than pursuant to one of the transactions immediately described, become the Beneficial Owner of an additional 0.25 percent or more of the then outstanding Voting Shares.

In general,

- (i) a "**Voting Share Reduction**" means an acquisition or a redemption by the Company of Voting Shares and/or Convertible Securities;
- (ii) a "**Permitted Bid Acquisition**" means an acquisition of Voting Shares and/or Convertible Securities pursuant to a Permitted Bid or a Competing Permitted Bid;
- (iii) an "**Exempt Acquisition**," means an acquisition of Voting Shares and/or Convertible Securities,
 - (1) for which the board has waived the application of the Rights Plan;
 - (2) which is made pursuant to a regular dividend reinvestment plan, or similar plan which allows holders of the Company's securities to direct monies from dividends, proceeds from redemption, interest on indebtedness and optional cash payments be applied to the purchase of Voting Shares and/or Convertible Securities;

- (3) which is made as an intermediate step in a series of related transactions in connection with an acquisition by the Company or its Subsidiaries of a Person or assets;
- (4) which is made pursuant to a distribution of Voting Shares and/or Convertible Securities made by the Company
 - (A) to the public pursuant to a prospectus; or
 - (B) by way of a private placement or upon the exercise by an individual employee of options granted under an option plan of the Company or rights to purchase securities granted under a share purchase plan of the Company, provided that such Person does not, in that way, become the Beneficial Owner of more than 25 percent of the Voting Shares outstanding immediately before the distribution;
- (5) which is made pursuant to an amalgamation, business combination or other similar transaction (not including a Take-over Bid) that is conditional upon shareholder approval being obtained prior to the acquisition of such securities;
- (iv) a "**Convertible Security Acquisition**" means an acquisition of Voting Shares upon the exercise of Convertible Securities received by a Person pursuant to a Permitted Bid Acquisition, Exempt Acquisition, or Pro Rata Acquisition; and
- (v) a "**Pro Rata Acquisition**" means an acquisition of Voting Shares and/or Convertible Securities as a result of: (i) a stock dividend, stock split or other similar event, acquired on the same pro rata basis as all other holders of such securities of the same class or series; or (ii) any other event pursuant to which all holders of Voting Shares and/or Convertible Securities are entitled to receive Voting Shares and/or Convertible Securities on the same pro rata basis as all other holders of such securities of the same class or series (provided that such entitlement is derived from rights acquired directly from the Company and not from any other Person).

Also excluded from the definition of Acquiring Person are (i) underwriters or members of a banking or selling group acting in connection with a distribution of securities by way of prospectus, and (ii) any "**Grandfathered Person**" (generally, any person who is the Beneficial Owner of 20 percent or more of the then outstanding Voting Shares at the Record Time) provided however that they do not, after the Record Time, acquire an additional 0.25 percent or more of the then outstanding Voting Shares (other than pursuant to a Voting Share Reduction, Permitted Bid Acquisition, Exempt Acquisition, Convertible Security Acquisition, or Pro Rata Acquisition).

(g) Beneficial Ownership

In general, a Person is deemed to "**Beneficially Own**" securities actually held by others if those holdings are or should be grouped together for purposes of the Rights Plan. Included are holdings by the Person's "**Affiliates**" (generally, a Person that controls, is controlled by, or is under common control with another Person) and "**Associates**" (generally, spouses and relatives sharing the same residence). Also included are securities which,

- (i) the Person or any of the Person's Affiliates or Associates has the right to acquire within 60 days (other than pursuant to any customary agreements with and between underwriters and banking group or selling group members with respect to a distribution of securities, pledges of securities in the ordinary course of business, and agreements between the Company and any Person relating to an amalgamation, merger, arrangement or other transaction that is conditional upon shareholder approval);

- (ii) the Person or any of the Person's Affiliates or Associates has the right to vote, whether or not such right is exercisable immediately or at a certain point in time, is contingent on any happening, is pursuant to any agreement or arrangement, or is in writing (other than pursuant to pledges of securities, granted for bona fide indebtedness, in the ordinary course of business of the lender);
- (iii) are the subject of a lock-up or similar agreement to tender or deposit them into any Take-over Bid made by the Person or any of the Person's Affiliates or Associates; or
- (iv) are beneficially owned by a Counterparty (or any of such Counterparty's Affiliates or Associates) under any Derivatives Contract to which the Person or any of the Person's Affiliates or Associates is a Receiving Party. For reference, a "**Derivatives Contract**" means, in general, a contract between two parties (the "**Receiving Party**" and the "**Counterparty**") that is designed to expose the Receiving Party to economic benefits and risks that correspond substantially to the ownership by the Receiving Party of a number of Voting Shares and/or Convertible Securities referenced in such contract.

A Person is also deemed to Beneficially Own any securities that are Beneficially Owned (as described above) by any other Person with which, and in respect of which security, such Person is acting jointly or in concert. Generally, a Person is acting jointly or in concert with any other Person who is a party to an agreement, commitment, arrangement or understanding with the first Person for the purpose of acquiring or offering to acquire Voting Shares and/or Convertible Securities.

(h) Exclusions from the Definition of Beneficial Ownership

The definition of "**Beneficial Ownership**" contains several exclusions whereby a Person is not considered to Beneficially Own a security. There are exemptions from the deemed Beneficial Ownership provisions for institutional shareholders acting in the ordinary course of business and the performance of their duties. These exemptions apply to:

- (i) an investment manager (a "**Manager**") which holds securities in the performance of the Manager's duties for the account of any other person (a "**Client**");
- (ii) a licensed trust company (a "**Trust Company**") acting as trustee or administrator or in a similar capacity for the estates of deceased or incompetent persons (each an "**Estate Account**") or in relation to other accounts (each an "**Other Account**");
- (iii) a Person established by statute (a "**Statutory Body**"), the ordinary business or activity of which includes the management of investment funds for employee benefit plans, retirement plans and insurance plans (other than insurance plans administered by insurance companies) of various public bodies;
- (iv) the administrator or trustee (an "**Administrator**") of one or more pension funds or plans (each a "**Plan**") registered under applicable law; and
- (v) a Crown agent or agency (a "**Crown**") in the management of public assets, if the security is held for such management.

The foregoing exemptions apply only so long as the Manager, Trust Company, Administrator, Plan, or Crown is not then making or has not then publicly announced an intention to make a take-over bid, other than pursuant to a distribution by the Company or by means of ordinary market transactions.

Also, a Person will not be deemed to Beneficially Own a security because such Person: (i) is a Client of the same Manager, an Estate Account or Other Account of the same Trust Company, or a Plan with the same Administrator as another Person or Plan on whose account the Manager, Trust Company or Administrator, as the case may be, holds such security; or (ii) is a Client of a Manager, Estate Account, Other Account or Plan, and the security is owned at law or in equity by the Manager, Trust Company, Administrator or Plan, as the case may be.

A further exemption applies wherein a Person will not be deemed to Beneficially Own a security where such security, has been deposited or tendered pursuant to a Take-over Bid made by that Person, any of that Person's Affiliates or Associates, or any other Person with which such Person is acting jointly or in concert, is not yet taken-up or paid for.

(i) Permitted Bid and Competing Permitted Bid

A Take-over Bid will not trigger a Flip-In Event if it is a Permitted Bid or Competing Permitted Bid. A "**Permitted Bid**" is a Take-over Bid made by way of a Take-over Bid circular and that complies with the following:

- (i) the Take-over Bid is made to all holders of record of Voting Shares, other than the Offeror, for all the outstanding Voting Shares not owned by the Offeror; and
- (ii) the Take-over Bid contains irrevocable and unqualified conditions that:
 - (1) no Voting Shares or Convertible Securities shall be taken-up or paid for under the Take-over Bid before the close of business on a date at least 60 days (or such shorter period of time as may be permitted by the Board of Directors) after the date of the Take-over Bid;
 - (2) unless the Take-over Bid is withdrawn, Voting Shares and/or Convertible Securities may be deposited to the Take-over Bid at any time before the close of business on the date of first take-up or payment for Voting Shares and/or Convertible Securities and all Voting Shares and/or Convertible Securities deposited to the Take-over Bid may be withdrawn at any time before the close of business on that date;
 - (3) outstanding Voting Shares and Convertible Securities held by Independent Shareholders representing more than 50 percent of the aggregate of (A) then outstanding Voting Shares and (B) Voting Shares issuable upon exercise of Convertible Securities have been deposited to the Take-over Bid and not withdrawn; and
 - (4) in the event that more than 50 percent of the outstanding Voting Shares (including those issuable upon exercise of Convertible Securities) held by Independent Shareholders have been deposited to the Take-over Bid and not withdrawn, the Offeror will make a public announcement of that fact and the Take-over bid will remain open for deposits and tenders of Voting Shares and/or Convertible Securities for at least 10 Business Days from the date of the announcement.

A Take-over Bid that qualifies as a Permitted Bid shall cease to be such as soon as the Take-over Bid fails to meet any or all of the provisions of the above definition of Permitted Bid.

A Take-over Bid shall not be a Permitted Bid if, at the commencement of such Take-over Bid, the Offeror or any of its Affiliates or Associates or their respective advisors or other representatives or any person acting jointly or in concert with any of them, possessed Confidential Information, unless such Persons have entered into a Confidentiality Agreement with the Company within three months prior to the commencement of the Take-over Bid and the standstill provision contained in such Confidentiality Agreement has no force or effect as at the commencement of the Take-over Bid.

A "**Competing Permitted Bid**" is a Take-over Bid that is made after any other Permitted Bid or Competing Permitted Bid has been made but before the expiry of the Permitted Bid or Competing Permitted Bid and that satisfies all the requirements of a Permitted Bid, other than those outlined above in sections (i)(ii)(1) and (i)(ii)(4) of this summary. To qualify as a Competing Permitted Bid, the Take-over Bid must also,

- (i) remain open until the later of (A) 35 days following the date of the Take-Over Bid constituting the Competing Permitted Bid, and (B) 60 days (or such shorter period of time as may be permitted by the Board of Directors) after the date on which the earliest Permitted Bid or Competing Permitted Bid was made; and
- (ii) contain the irrevocable and unqualified conditions that if outstanding Voting Shares and Convertible Securities held by Independent Shareholders representing more than 50 percent of the aggregate of (A) then outstanding Voting Shares, and (B) Voting Shares issuable upon exercise of Convertible Securities have been deposited to the Take-over Bid constituting the Competing Permitted Bid and not withdrawn, then the Offeror will make a public announcement of that fact and such Take-over Bid will remain open for deposits and tenders of Voting Shares and/or Convertible Securities for at least 10 Business Days from the date of the announcement.

(j) Redemption

The Rights may be redeemed in certain circumstances:

- (i) *Redemption of Rights on Approval of Holders of Voting Shares and Rights.* The Board of Directors acting in good faith may, at any time prior to the occurrence of a Flip-in Event which was not been waived, elect to redeem not less than all of the outstanding Rights at a redemption price of \$0.000001 per Right, as adjusted for anti-dilution (the "**Redemption Price**").
- (ii) *Deemed Redemption.* If a Person who has made a Permitted Bid Acquisition or Exempt Acquisition in respect of which the Board of Directors has waived or has been deemed to have waived the application of the Rights Plan consummates the acquisition of the Voting Shares and/or Convertible Securities, the Board of Directors shall be deemed to have elected to redeem the Rights for the Redemption Price.
- (iii) *Redemption of Rights on Withdrawal or Termination of Bid.* Where a Take-over Bid that is not a Permitted Bid or Competing Permitted Bid is withdrawn or terminated after the Separation Time, and before a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price.
- (iv) *Redemption and Effect on Rights.* Where the Board of Directors elects or is deemed to have elected to redeem the Rights, (A) the right to exercise the Rights will terminate and the only right the holders of Rights will have is to receive the Redemption Price, and (B) no further Rights shall thereafter be issued. Upon the Rights being so redeemed, all the provisions of the Rights Plan shall continue to apply as if the Separation Time had not occurred and Rights Certificates had not been mailed, and the Separation Time shall be deemed not to have occurred and Rights shall remain attached to the outstanding Voting Shares. Within 10 Business Days of any redemption of the Rights, the Company will notify the holders of the Voting Shares and/or Convertible Securities or, after the Separation Time, the holders of the Rights of the redemption.

(k) Waiver

The Board of Directors may waive the applications of the Rights Plan in certain circumstances:

- (i) *Discretionary Waiver Respecting Acquisition not by Take-over Bid Circular.* The Board of Directors may determine, at any time before a Flip-in Event which would occur by an acquisition of Voting Shares and/or Convertible Securities by some other means than under a Take-over Bid made by means of a Take-over Bid circular to holders of Voting Shares, or unintentionally if the Acquiring Person has reduced its holdings to below 20 percent, to waive the application of the Rights Plan for that Flip-in Event, by delivering written notice to the Rights Agent.
- (ii) *Discretionary Waiver respecting Acquisition by Take-over Circular and Mandatory Waiver of Concurrent Bids.* The Board of Directors acting in good faith may, by prior written notice to the Rights Agent, waive the application of the Rights Plan to a Flip-in Event occurring by a Take-over Bid made by means of circular sent to all holders of Voting Shares before the Take-over Bid occurs. However, if the Board of Directors makes such waiver, it will be considered to have waived the application of the Rights Plan to any other Flip-in Event occurring by a Take-over Bid that satisfies all requirements of the definition of Permitted Bid or Competing Permitted Bid, and which is made by means of a circular to all holders of Voting Shares before the expiry of a bid for which the waiver was granted.
- (iii) *Waiver of Inadvertent Acquisition.* The Board of Directors acting in good faith may waive the application of the Rights Plan for any Flip-in Event if (A) the Board or Directors determines that a Person became an Acquiring Person unintentionally, and (B) the Acquiring Person has reduced its Beneficial Ownership of Voting Shares so that, at the time of waiver, the Person is no longer an Acquiring Person. In the event of such waiver, both the Flip-in Event and the Separation Time shall be deemed not to have occurred

(l) Anti-Dilution Adjustments

The Exercise Price of a Right, the number and kind of shares subject to purchase upon exercise of a Right, and the number of Rights outstanding, will be adjusted in certain events, including:

- (i) if there is a dividend payable in Voting Shares or Convertible Securities (other than pursuant to any dividend reinvestment plan) on the Voting Shares, or a subdivision or consolidation of the Voting Shares, or an issue of Voting Shares or Convertible Securities in respect of, in lieu of, or in exchange for existing Voting Shares pursuant to certain transactions; or
- (ii) if the Company fixes a record date for the distribution to all holders of Voting Shares or Convertible Securities of certain rights, options or warrants to acquire Voting Shares or Convertible Securities, or for the making of a distribution to all holders of Voting Shares of evidences of indebtedness or assets (other than regular periodic cash dividends or stock dividends payable in Voting Shares), rights or warrants.

(m) Supplements and Amendments

The Company may, prior to the occurrence of a Flip-in Event, make changes to the Rights Plan and/or the Rights in its sole discretion by resolution of the Board of Directors, acting in good faith. Such changes shall be effective from the date of the resolution of the Board of Directors enacting the change or such other later date as the Board of Directors may determine.

(n) Term

If the Rights Plan is confirmed at a meeting of shareholders of the Company held within six months of October 29, 2012, it will continue in effect and will have a term that ends on the earlier of (i) the Termination Time (the time at which the right to exercise Rights terminates under the Rights Plan), and (ii) the close of business on the date of the 2016 annual meeting of shareholders of the Company, provided that if the Rights

Plan is confirmed on such terms and conditions as may be approved by a majority of the votes cast by the Independent Shareholders at or before the date of the 2016 annual meeting of shareholders of the Company, the Company will have a rights plan for another scheduled three-year term.
