.5% but I am confident I will convince them to go for 1%. I am sure they will decide on their lawyers today and move on swiftly

Francisco,

Excellent job!

1. What are they looking at

\$500k for .5%

Or

\$1M for 1%

2. Any sense of the timing?

Thanks

James

Morning James,

It all went well. They will be identifying their lawyers for the transaction and will go ahead with transaction
